How Prairie Gardens' "Flowers by Wire" Service Works for You

When you wish Flowers delivered for you in a distant city, a florist there (usually one of the more than 18000 fellow members of F.T.D.) is phoned or telegraphed of your wishes.

We Tell the Other Florist:

- (1) To whom the delivery goes
- (2) "In Care of" or "Apartment Number"
- (3) At What Address
- (4) Your Name or What You Want on the Card.
- (5) What You Wish Delivered
- (6) The Price of the Purchase You Make
- (7) The Day You Wish the Delivery Made
- (8) For What Occasion You Wish the Flowers Arranged
- (9) Prairie Gardens' Name as Sending Florist With Our F.T.D. Account Number

After delivering your order the receiving florist acknowledges it through the Florist Telegraph Delivery Association's clearing house, that works much the same as the banks' clearance on checks.

Prairie Gardens

Landscape Department

is trained and equipped to do the planning and planting of trees and shrubs for your new home or that new up-to-date look on your re-modeled home.

Real estate men estimate that proper landscaping increases the resale value (or value for your pride and enjoyment) as much as 23%. This places your landscape expenditures in the investment class. This statement is doubly true since each season of good care allows your trees and shrubs to better frame your house and add beauty and value to your home.
